

HOUSE CONCERT AT WADGASSEN (Germany)

As hosts of the house concert we would like to thank Andrea and Francesco, who filled our house with their wonderful sounds and presented us a magical evening in an intimate atmosphere. Thanks also to the guests who shared that special evening with us and who contributed some goodies to the fingerfood buffet.

We look forward to the next time. :)

Some comments from the audience:

With pleasant anticipation and curiosity I could get to know Andrea Carri and Francesco Camminati on the occasion of the house concert on 1st April 2017.

I met two young people, who shared their music with us with lots of love and devotion. They fascinated me quickly and took me on a very emotional journey into their world of music.

Mille Grazie Andrea and Francesco for the beautiful evening!

A big thank you also to Stefanie and Thomas, who enabled us that beautiful evening!!!

Andrea and Francesco took us on a journey. As in the previous concert, that I really could attend, we experienced a duo in great harmony, Andrea at the piano and Francesco at the drums. Never did one take the other's breath, from gentle music, which invites to dream, up to more powerful themes. It was a musical enjoyment.

Many thanks to the artists, we look forward to see and hear you soon again.

Stefanie and Thomas were as always perfect musical hosts.

Grazie,
Lis Thielen
